PRESS RELEASE

SACYR WINS PFI P3 DEAL OF THE YEAR AWARD FOR I-10 CALCASIEU RIVER BRIDGE PROJECT FINANCING

- **This operation also won a The Bond Buyer Award in the Public Private Partnership category.**
- **The project calls for €3,370 million in investment.**

Madrid, February 21, 2025.- Sacyr has won the prestigious PFI P3 Deal of the Year for the financing of the I-10 Calcasieu River Bridge project, in Louisiana, United States.

This project, awarded by the Louisiana Department of Transportation and Development (LA DOTD) to the Calcasieu Bridge Partners consortium formed by Sacyr, Plenary Americas and Acciona, marks a fundamental milestone in the development of infrastructure in Louisiana.

This is the second award won by this financing after **The Bond Buyer in the Public Private Partnership category.**

PABs Bond Issuance

The financing includes the issuance of tax-exempt "Private Activity Bonds" (PABs) totaling \$1.333 billion (€1.222 billion). This highway section connects the towns of Lake Charles and Westlake over a span of nine kilometers.

This project will require an investment exceeding \$3.37 billion (€3.09 billion), with construction costs estimated at \$2.267 billion (€2.079 billion).

The project will **connect the towns of Lake Charles and Westlake in Louisiana** and includes a new eight-lane bridge with three traffic lanes and one auxiliary lane in each
