CAFESTORE OPENS A NEW DELIQUO STORE IN VALENCIA'S JOAQUIN SOROLLA TRAIN STATION

- **The new travel retail space features two large terraces.**

Madrid, November 24, 2025.- Cafestore, a Sacyr sister company, **strengthens its position in the travel retail sector** with the opening of a new Deliquo location in **Valencia's Joaquín Sorolla Station**.

The new **Deliquo Terrace Café** is a **320 sqm space** featuring **two large terraces**. Situated in an area with a lot of passage, this venue is able to meet the needs of travelers and connect directly with the urban environment of Valencia to also serve **residents and professionals** in the area. Provisions are that it will reach more than **100,000 customers per year** including travelers and residents.

With this opening, Deliquo consolidates its expansion in transport infrastructure. Valencia station joins its network in high-traffic travel spaces such as **Madrid-Barajas Airport's Terminal T4, Palma de Mallorca Airport** and **Santa Justa station in Seville**, with a commitment to excellence and traveler care.

An award-winning firm

Cafestore has 50 contracts in train stations, motorways, hospitals, etc. The restaurant company will have a turnover of around €70 million in 2025.

Cafestore won the **Hot Concept award** in the category "Travel Retail 2025", awarded by Restauración News magazine. In 2024, it received **two MdR (Marcas de Restauración) awards** for the best environmental and health initiatives.
